

AMBN (Advanced Methodologies for Bayesian Networks)-2017

Sept. 20-22, 2017, Kyoto, Japan

<http://ambn2017.bayesnet.org>

Paper submission deadline: June 18 -> July 2 (extended)

Special issue deadline: October 31

The papers accepted by AMBN 2017 are encouraged to be submitted to the special issue of AMBN 2017 at Springer *Behaviormetrika*.

(For the journal paper, more than 30 percent results should be added to the AMBN conference paper)

<http://www.springer.com/statistics/journal/41237>

The papers related to the topics (BDeu and Causality) can be included in the special sessions for those topics.

The following speakers are invited:

Wray Buntine (Monash University, Australia)

Kun Zhang (Carnegie Mellon University, USA)

Marco Scutari (University of Oxford, UK)

Taisuke Sato (NII/AIST-AIRC, Japan)

John T. Halloran (UC Davis, USA)

Tomi Silander (Xerox Research Centre Europe)

We hope you will submit papers to AMBN 2017.

Look forward to seeing you at Kyoto!!

AMBN 2017 Organizers and PC co-chairs.
